**YOUR SOURCING PARTNER
SUPPLYING TRUST | DELIVERING VALUE**

WHO WE ARE

ANZ Global Group LLC FZ is a Dubai-based industrial sourcing and supply company supporting Oil & Gas, drilling, and infrastructure operations across GCC, Africa, and international markets.

Operating through an international sourcing network, ANZ specializes in supply coordination of OCTG products, line pipes, industrial flanges and fittings, downhole accessories, drilling consumables, and associated Oil & Gas materials sourced from certified manufacturers.

Our strength lies not only in sourcing the right product, but in managing the supply process responsibly — from inquiry and technical coordination to documentation, third-party inspection support, logistics coordination, and delivery execution.

Over the years, ANZ has supported drilling contractors, EPC companies, procurement teams, and industrial clients through multi-category supply solutions tailored to demanding operational environments.

EXECUTED SUPPLY EXPERIENCE

Supporting oil & gas drilling, industrial, and energy-sector operations across GCC, Africa, and international markets.

10,000 MT+

Material Tonnage Supplied

USD 40M+

Supply Value Executed

5 Regions

Supplied Globally

500,000 FT+

OCTG Supplied

EXECUTION HIGHLIGHTS

CATEGORY

OCTG Products

Drill Pipe

Line Pipe

Flanges & Fittings

Oilfield Accessories

Drilling Consumables

EXECUTION HIGHLIGHT

Large-volume casing & tubing supply support for African upstream operations

Multi-grade drill pipe supply coordination for drilling contractors

Industrial and pipeline material sourcing support

Supply support across process and pipeline applications

Cementing and drilling support tools supplied internationally

Supply coordination for drilling chemicals and cementing additives

WHY ANZ GLOBAL GROUP

EXECUTION-FOCUSED SUPPLY SUPPORT

Supporting clients from inquiry stage through sourcing, inspection coordination, documentation management, and delivery execution.

MULTI-CATEGORY OILFIELD SUPPLY

Integrated sourcing support for OCTG products, line pipes, flanges, fittings, downhole accessories, drilling consumables, and industrial materials.

CERTIFIED MANUFACTURER SOURCING

Products sourced from API, ISO, and internationally certified manufacturing partners.

DOCUMENTATION & TRACEABILITY

Material Test Certificates, traceability support, dimensional verification, export documentation, and inspection coordination based on project requirements.

GCC & AFRICA SUPPLY EXPERIENCE

Operational supply exposure supporting drilling contractors, EPC companies, and industrial procurement teams across GCC and African markets.

Through established sourcing relationships and international supply coordination, ANZ Global Group supports project requirements across multiple industrial markets.

SOURCING NETWORK

- Asia, Middle East, CIS & International Industrial Markets

SUPPLY EXPOSURE

- GCC, Africa, International Upstream Projects

OPERATIONAL SUPPORT

OEM Coordination | Inspection Coordination | Documentation Management | International Logistics Coordination | Delivery Follow-Up

OIL & GAS SUPPLY SOLUTIONS

ANZ Global Group supports drilling, upstream, pipeline, and industrial operations through sourcing and supply coordination of critical Oil & Gas materials from certified manufacturing partners.

PRODUCT CATEGORIES

- OCTG Products
- Line Pipe & Piping Materials
- Industrial Flanges & Fittings
- Downhole Accessories
- Drilling Chemicals
- Cementing Additives
- Completion Accessories
- Industrial Consumables

OCTG PRODUCTS

ANZ Global Group supplies a broad range of Oil Country Tubular Goods (OCTG) sourced from certified mills across Asia and the Middle East, suitable for drilling, exploration, and production operations.

PRODUCT RANGE

- Casing & Tubing
- Drill Pipe
- Drill Collars
- Heavy Weight Drill Pipe (HWDP)
- Pup Joints
- Crossovers

APPLICATIONS

- Upstream drilling operations
- Exploration projects
- Production wells
- Onshore & offshore operations

API SPEC 5CT — CASING & TUBING

Grades: J55 | K55 | M65 | L80 | C90 | T95 | P110 | Q125

OD: 1.66" to 13-3/8" | WT: 3–20mm

PSL1 | PSL2 | PSL3

API SPEC 5DP — DRILL PIPE

Grades: E-75 | X-95 | G-105 | S-135

DRILL COLLARS

Specified by OD, ID, and connection type — API SPEC 7-1
Round, Square, and Spiral types available

LINE PIPE & PIPING SOLUTIONS

ANZ Global Group supports pipeline, process, and industrial projects through sourcing and supply coordination of line pipes and piping materials for Oil & Gas and infrastructure applications.

PRODUCT RANGE

- Seamless Line Pipe
- ERW Line Pipe
- LSAW Pipe
- SSAW Pipe
- Process Piping Materials
- Industrial Pipe Supply

STANDARDS

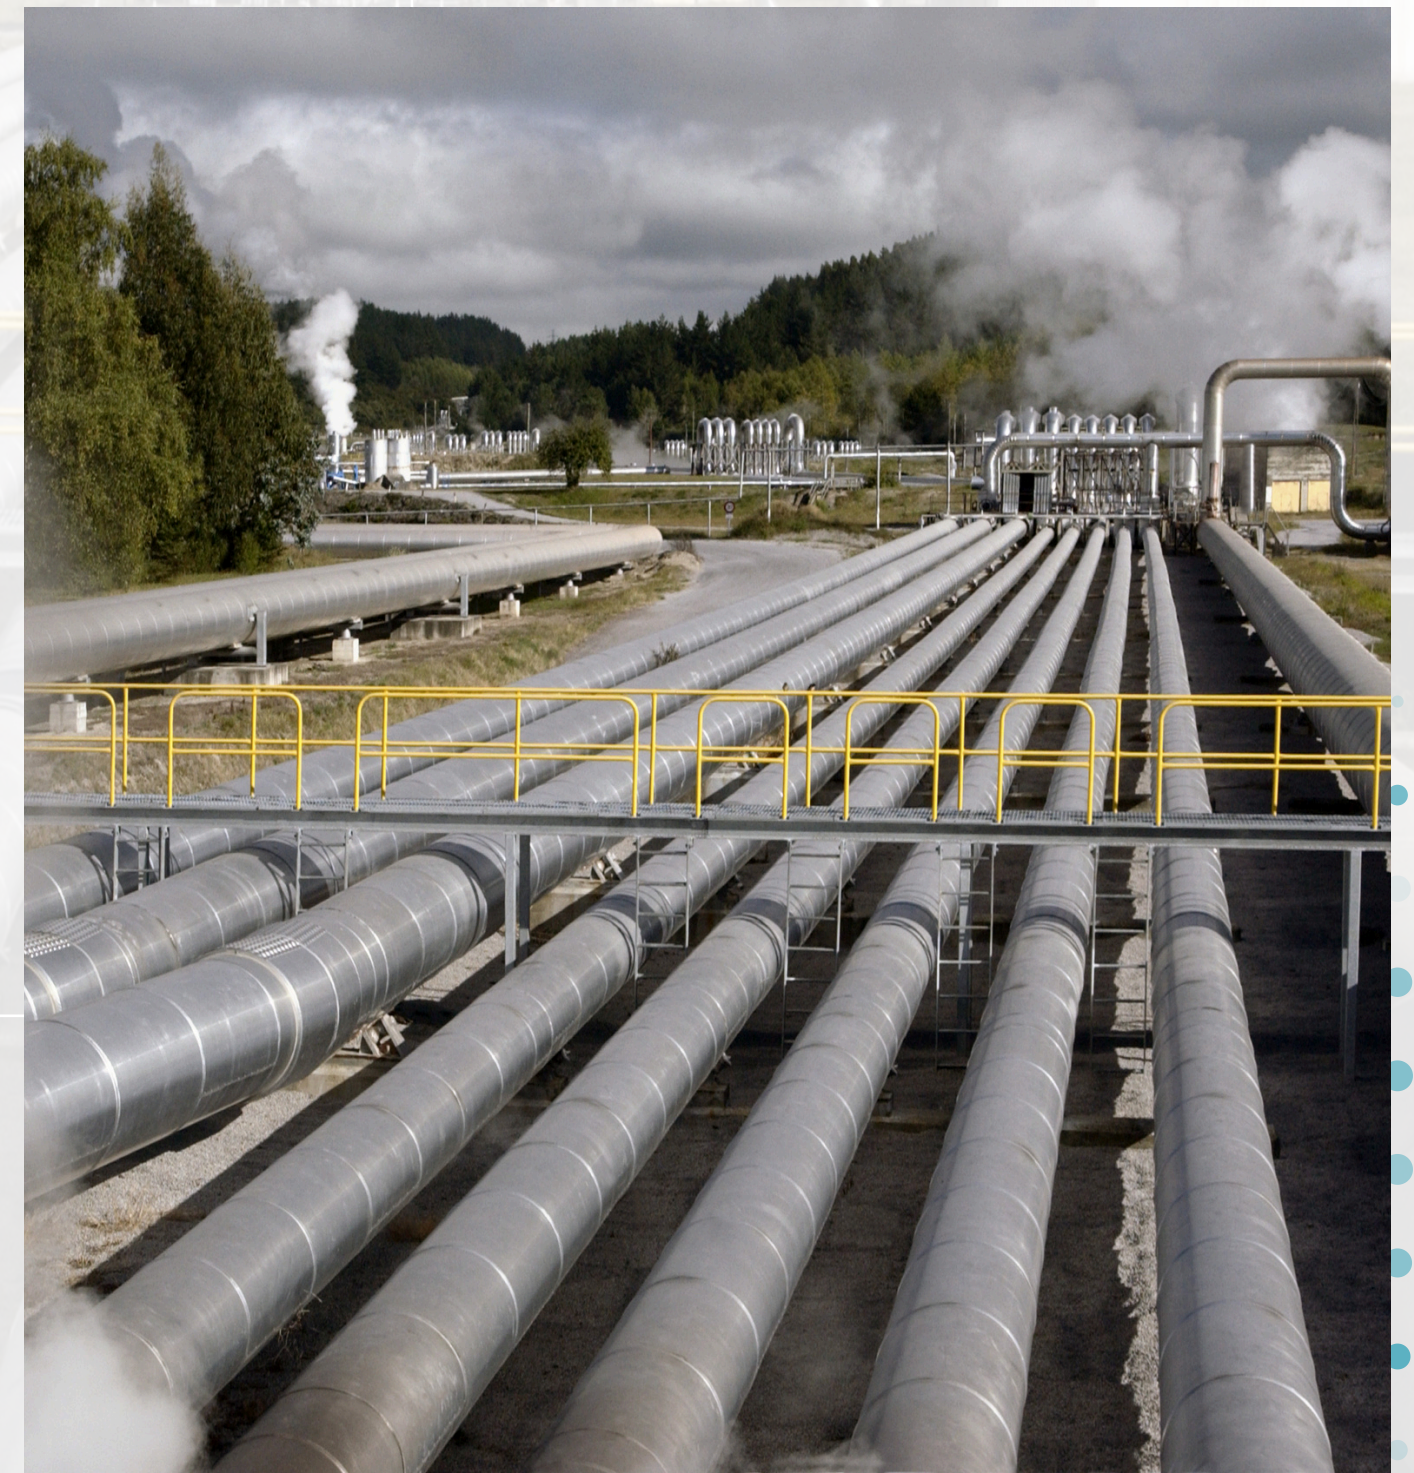

API 5L | ASTM | ASME | DIN | EN Standards

MATERIALS

- Carbon Steel
- Stainless Steel
- Alloy Steel
- Duplex & Super Duplex

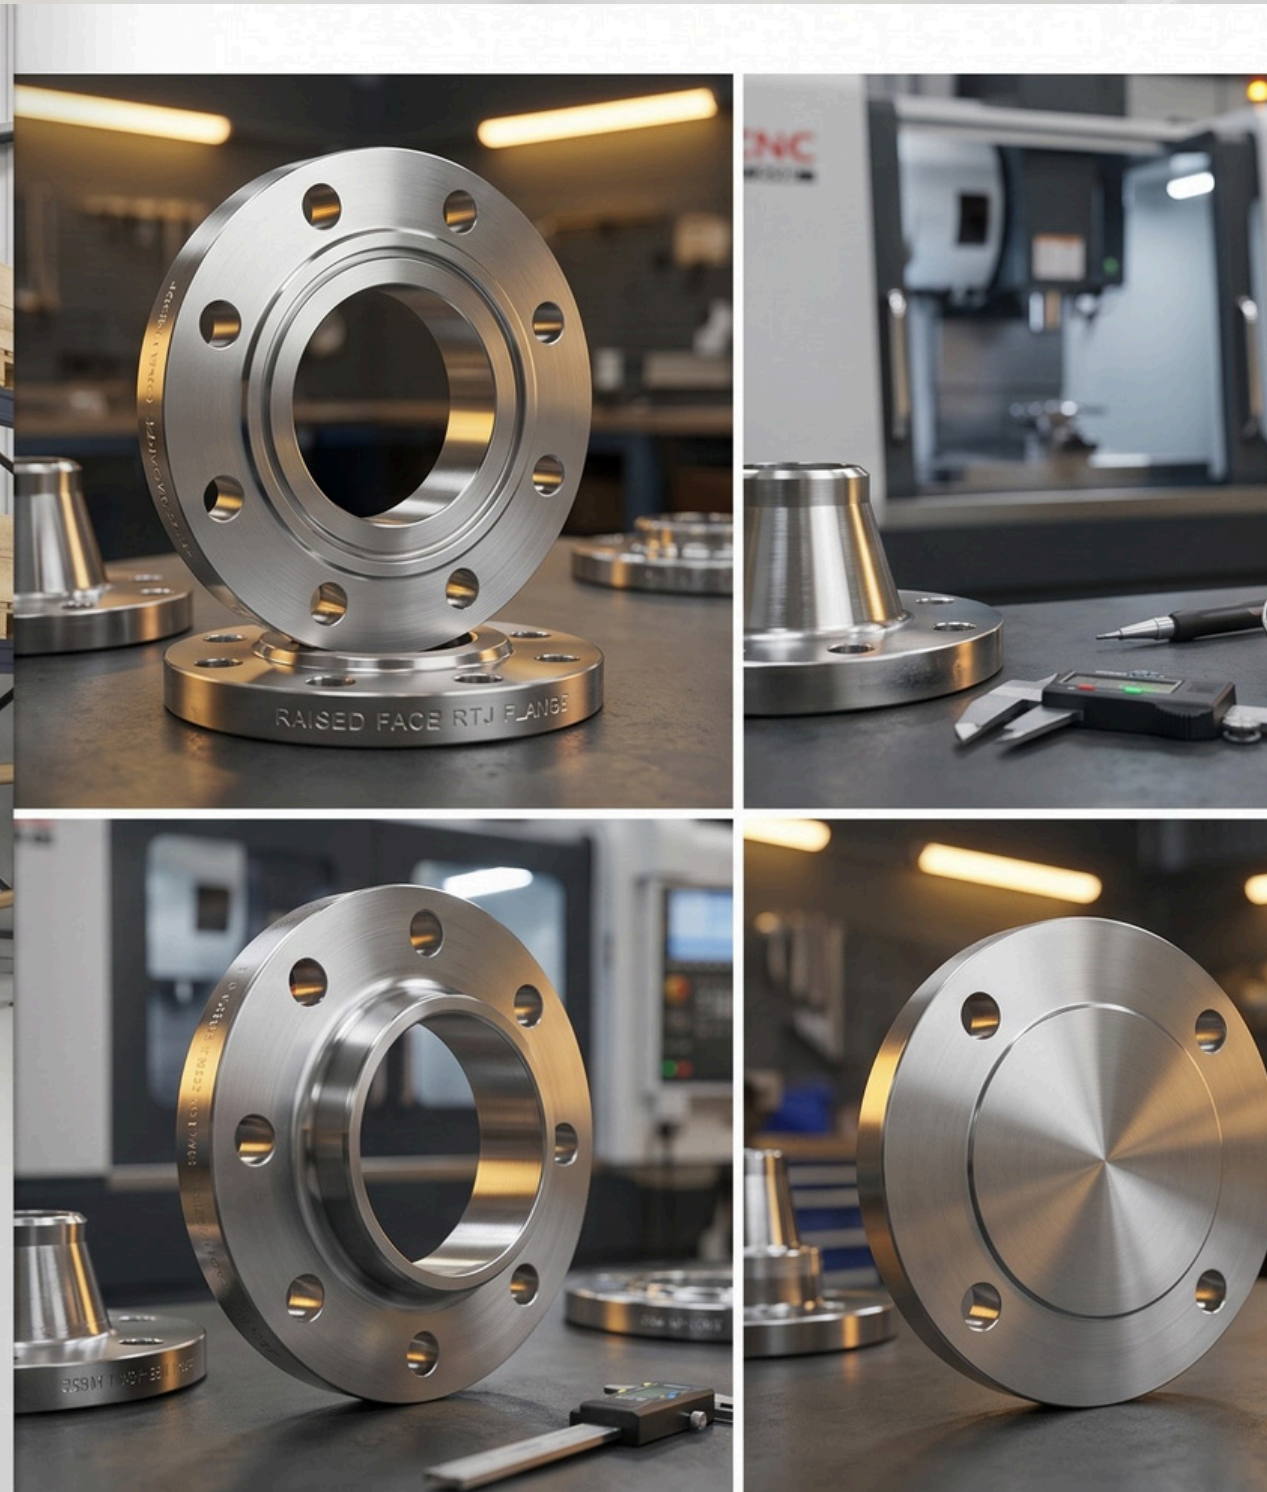

APPLICATIONS

- Pipeline projects
- Process plants
- Petrochemical facilities
- Industrial infrastructure

FLANGES & FITTINGS

ANZ Global Group supplies forged flanges and industrial piping materials for oilfield, petrochemical, and industrial applications across international markets.

FLANGE TYPES

- Slip On
- Weld Neck
- Blind
- Socket Weld
- Threaded
- Lap Joint

PRESSURE CLASSES

150 | 300 | 400 | 600 | 900 | 1500 | 2500

SIZE RANGE

1/2" (15 NB) to 60" NPS

FACING

Flat Face (FF) | Raised Face (RF) | Ring Type Joint (RTJ)

STANDARDS

- ANSI B16.5
- ANSI B16.47
- BS 4504
- DIN
- EN 1092-1
- JIS
- Custom as per drawing

MATERIALS

- Carbon Steel
- Stainless Steel
- Alloy Steel
- Duplex & Super Duplex
- Nickel Alloy

OILFIELD ACCESSORIES

ANZ Global Group supports drilling and completion operations through sourcing and supply coordination of downhole accessories, cementing tools, and drilling support equipment.

DOWNHOLE TOOLS

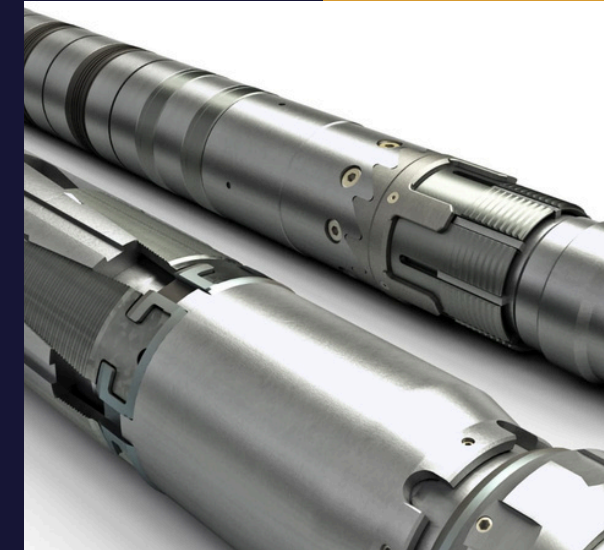

- Centralizers
- Float Shoe & Float Collar
- Bridge Plugs
- Cement Retainers
- Stage Tools
- Casing Packers
- Cementing Plugs
- Liner Hangers
- Reamer Shoes
- Casing Scrapers
- Crossover Subs

DRILLING TOOLS

- Downhole Motors
- Drilling Jars
- Drilling Stabilizers

APPLICATIONS

- Cementing operations
- Completion operations
- Drilling support
- Downhole deployment

DRILLING CHEMICALS & CEMENTING ADDITIVES

Supply support for drilling fluid systems, wellbore stability, lubrication support, cementing operations, and specialized cement systems.

DRILLING CHEMICALS

- Bentonite
- Barite
- Calcium Chloride
- Caustic Soda
- Glycol
- Potassium Chloride
- PHPA
- Polyamine Shale Inhibitor
- EP Lube
- Haematite
- Soda Ash

CEMENTING ADDITIVES

- Silica Flour
- Fluid Loss Additives (Low & High Temp)
- Dispersants
- Retarders (Low & High Temp)
- Latex
- Defoamers
- Thixotropic Agents
- Sodium Silicate
- Microblock
- Expansion Additives

QUALITY & DOCUMENTATION SUPPORT

ANZ Global Group operates through a sourcing and supply model focused on documentation discipline, traceability support, and coordination with certified manufacturing partners.

QUALITY SUPPORT CAPABILITIES

- Material Test Certificates (MTC)
- Third-Party Inspection Coordination
- Traceability Documentation
- Export Documentation Support
- Dimensional Verification
- Compliance Documentation Support
- Packing & Shipment Coordination

THIRD-PARTY INSPECTION

Inspection coordination experience through internationally recognized agencies including:

- Bureau Veritas
- TUV SUD

Based on project and client requirements.

OUR PHILOSOPHY

We believe that the foundation of any successful supply relationship is trust — built through consistent execution, honest communication, and respect for the client's operational timelines.

ANZ Global Group does not position itself as the largest supplier in the market. We position ourselves as a reliable execution-oriented sourcing partner focused on responsible coordination and long-term business relationships.

Our approach is built around disciplined sourcing, documentation control, inspection coordination, and ownership of the supply process from inquiry to delivery.

Every inquiry we receive is treated as the beginning of a long-term relationship — not just a transaction.

Supplying Trust. Delivering Value.

QUALITY CERTIFICATION

ANZ Global Group operates with a structured quality-focused sourcing and supply approach aligned with international business and documentation practices.

ISO 9001:2015 CERTIFIED

SUPPORT CAPABILITIES

- Structured Supply Coordination
- Certified Manufacturer Sourcing
- Inspection Coordination
- Documentation & Traceability Support
- Export & Logistics Coordination
